

DRAFT STATEMENT.

The German Government are attempting to

prove that H.M. Government are in some way

involved in the recent attempt on Herr Hitler's

life. To this end they ~~alleged that a~~

*the Munich incident with a story that*  
*the P.P. ~~was to~~ connect*  
*with a story that*  
British official at The Hague was recently

in touch with certain dissidents in Germany

who represented themselves to be hostile to

the Nazi régime, *as they allege,* but who ~~actually~~ were

members of the Gestapo. This allegation is,

of course, precisely what was to be expected

by any who have studied German technique.

It will be remembered that in Mein Kampf Herr

Hitler stated his conviction that ".....

the bigger and simpler the lie, the more

readily believed". In the present state of

discontent in Germany it is not necessary to

look outside the Reich for the origin of any

such attempt.

On Herr Himler's own story, it would

appear that if in fact a British official had

played/
